Subject: EOSH Distr.:Safety and Occupational Health Responsibilities in Contract Management 17 July 2001**

Ref: (a) CNO ltr, 5100 Ser N45G/1U595518, dated 22 June 2001, " Safety and Occupational Health Responsibilities In Contract Management"

Encl: (1) Guide to Safety and Occupational Health Responsibilities in Contract Management and Contract Management Team Points of Contact

1. Reference (a) is a letter from the Chief of Naval Operations (CNO) announcing the availability of enclosure (1), the Guide to Safety and Occupational Health Responsibilities in Contract Management. Click on page, then previous or next to view entire document.
2. The guide is applicable to all contracts involving Navy personnel and facilities including but not limited to: Base Operating Support (BOS), construction, environment, maintenance, service, and utilities. The guide is not applicable to contracts in which contractors' personnel solely perform the work at the contractor's facility.
3. Provided also in enclosure (1) is a list of team members (enclosure (2) in CNO ltr) who developed the guide and are designated points of contact for questions or comments.
4. The technical POC is Mr. Ken A. Gladstone, SEA 00TP, (202)-781-3357, DSN 326-3357 or e-mail: GladstoneKA@navsea.navy.mil
5. The administrative POC is Ms. Carole Watson, SEA 00TT,(202)781-1842, DSN 326-1842, or e-mail at: WatsonCA@navsea.navy.mil.
