1. Per your request, enclosures (1-6) contain a copy of NAVSEA's consolidated response to the Pollution Prevention, Conservation, and Executive Agent duties, Compliance Measures of Merit (MoM), Pollution Prevention MoM, Clean Water Act (CWA) metric data, Safe Drinking Water Act (SDWA) metric data, and SDWA vulnerability assessment data portions of the ESOH Management Review for the First Half of FY 2004. NAVSEA does not have a response to questions under BRAC Environmental Restoration considered in Attachment (5) of the original data call issued, and thus this attachment is not included. Enclosure (7) contains only the NAVSEA Programs Field Office ESOH Environmental Management Review.
